

bump switch grin play feel creep might
fright night fight right tight

some no all the

IN THE NIGHT

Rats creep in the night. Cats fight.

Witches grin ... something's not right

I am tucked in tight but I think I just might
get a bit of a fright in the night

Goblins play tricks in the night.

On flapping wings bats in flight.

Something went bump!

Just switch on the light.

I'm tucked in tight, no goblins in

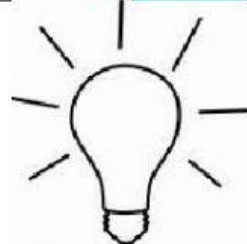

sight, and I feel all right, in the night

We are learning to match the word to the picture.

night		
witches		
fight		
rats		
tight		
grin		
fright		
light		

We are learning to spell the word to the picture.
