Biopoem Strategy for The Little Prince

By Antoine de Saint Exupery

Purpose:

This strategy aids students in synthesizing their learning about a subject. Specifically, it allows students to focus on playing with ideas instead of form, since the pattern is predefined. (Gere 1985)

Directions:

Line 1. _____
Name

Line 2. _____
Four traits that describe character

Line 3. **Relative of** _____
brother, sister, daughter, etc.

Line 4. **Lover of** _____
list three things or people

Line 5. **Who feels adults** _____
what he feels about the events that have happened

Line 6. **Who needs someone to** _____
what he wants or what he is looking for

Line 7. **Who fears he won't** _____
what does he fear he won't find

Line 8. **Who fears he won't** _____
what does he fear he won't find
