Write the total amount of money in cents for the number of coins given in the charts below.
HINT: Count by the first amount, then count on by the second amount.

a)

Quarters	Dimes
1	2

Total amount = ¢

b)

Quarters	Dimes
1	3

Total amount = ¢

c)

Quarters	Nickels
3	1

Total amount = ¢

d)

Dimes	Nickels
6	7

Total amount = ¢

e)

Quarters	Pennies
1	8

Total amount = ¢

f)

Dimes	Nickels
4	3

Total amount = ¢

BONUS

g)

Quarters	Nickels	Pennies
3	1	2

Total amount = ¢

h)

Quarters	Dimes	Nickels
2	2	5

Total amount = ¢

Count the given coins and write the total amount.
HINT: Count the bigger amounts first.

a) 
Total amount = ¢

b) 
Total amount = ¢

c) 
Total amount = ¢

d) 
Total amount = ¢
