From: Liam To: John Subject: My birthday

Hi John

1 It was my birthday yesterday. I had a fantastic day. We visited the science centre in the morning. I played with the computers and I saw some experiments. We had lunch in the restaurant. I had a pizza.

2 In the afternoon I went to a football match. I went with my sister and my dad. My mum doesn't like football. My team is Riverside Rovers. They played a great game. They were the winners, 4-1!!

3 We went to a circus in the evening. We saw acrobats, clowns and a fire eater. The acrobats danced on the high wire. They were fantastic. The clowns jumped and played tricks on the trampolines. They were funny and I laughed a lot. The fire eater was brilliant. We had a great time. I went to bed very late.

Love from Liam
