Story Tree

After reading your story, fill in the setting, characters, problem, and solution.

The worksheet is designed to look like a tree with a trunk and branches. The trunk is a vertical rectangle containing the 'Problem' and 'Solution' sections. The branches are horizontal rectangles at the top for 'Title' and 'Author'. The roots are a horizontal rectangle on the left for 'Main Characters'. The canopy is a large rectangle on the right for 'Where?' and 'When?'. A padlock is on the left branch, and a key is on the right branch. A large arrow points from the problem to the solution.
