| <b>October 2<sup>nd</sup>, 2017</b><br><b>User: Chloe</b><br><b>Joined: Nov 2016</b> | We use it a lot in the summer. It's nice and shady there when the weather is warm. I always enjoy eating there because I can smell the flowers and the fruit trees in the garden. At night, we light some candles and put them on the table. |

What places are the users talking about?

|                                                                                    |                                                                                                                                                                                                                              |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>October 3<sup>rd</sup>, 2017</b><br><b>User: Oli</b><br><b>Joined: May 2017</b> | My dad spends a lot of time there. Everything he needs for the garden is there. He's got some tools in there and that's where he fixes things that are broken. My old bike is in there, and there are loads of spiders, too. |
|------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

What places are the users talking about?

**EXERCISE 3. Where do these things go? Some rooms can be used more than once.**

| utility room (x2) | kitchen (x2) | bathroom | living room | bedroom | dining room | hallway | patio | shed |
