Story Tree

After reading your story, fill in the setting, characters, problem, and solution.

The diagram is shaped like a tree. The trunk and branches are on the left, with a large padlock on the trunk and a key hanging from it. The canopy on the right contains several boxes for story elements. A large arrow points from the 'Problem' section down to the 'Solution' section.

Title

value

Main Characters

Where?

When?

Problem

The boy the people no one

twice believed fooled him again.
