2. Read the postcard, then, answer the questions. 10 pts.

Hi everyone,
I'm traveling in Washington, D.C.
This city is bigger than my hometown.
I like it so much because the transportation is more comfortable.
The buildings are more modern and there are more interesting things to do here.
I can see more expensive cars in the streets.
I think it is more difficult to move around because it is noisier and people are busier.

Love,

Luis.
