

Name: _____ Class: _____ No: _____

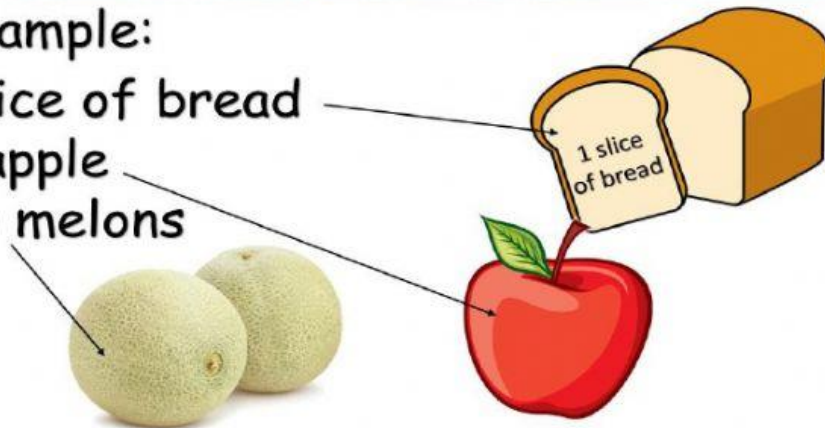

Countable nouns / Uncountable nouns

Countable nouns- are for things we can count using numbers; **items that can be counted**, even if the number might be extraordinarily high.

For example:

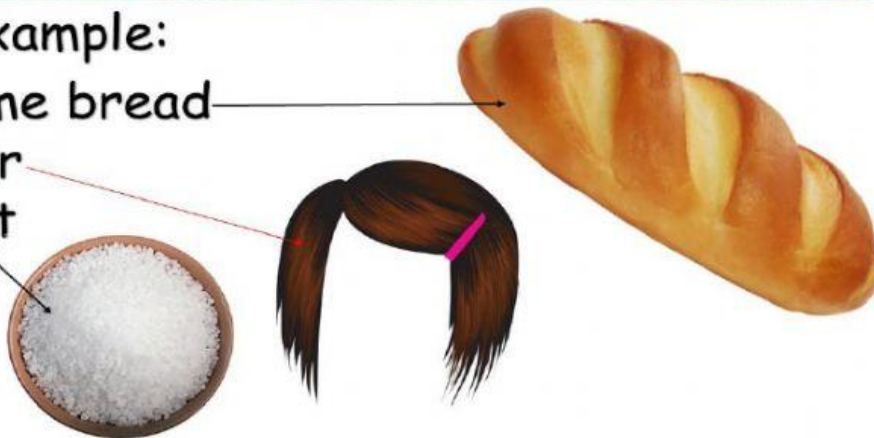

- a slice of bread
- an apple
- two melons

Uncountable nouns- are nouns that come in a state or quantity that is **impossible to count**; **cannot be counted**.

For example:

- some bread
- hair
- salt

Write **countable** or **uncountable** on the blanks.
