

## Irregular Plurals of Nouns    Name: \_\_\_\_\_

Some nouns become a plural by adding “s” or “es” to the end of the word. Some nouns don’t follow this rule and are spelt differently when they are made a plural.

| Singular Noun |
|---------------|
| child         |
| foot          |
| mouse         |
| cactus        |
| vertebra      |
| bacterium     |
| deer          |
