

Wild animals

Listen and complete:

shapes	smaller	slower	cheetah
act	lighter	zoo	larger

If you go to a 1. _____ or go on a safari, you will see different animals of all 2. _____ and sizes. They look and 3. _____ differently.

For example, a giraffe is 4. _____ than a zebra. So a zebra is 5. _____ than a giraffe.

A 6. _____ is faster than a turtle. So a turtle is 7. _____ than a cheetah. An elephant is heavier than a mouse. So a mouse is 8. _____ than an elephant.

The differences are what make the animals, and many other things in life, so interesting. What kinds of animals do you think are the most interesting?
