CENDEKIA
LEADERSHIP SCHOOL

A Heart to Care and Hands to Share

Math Worksheet : Week 7

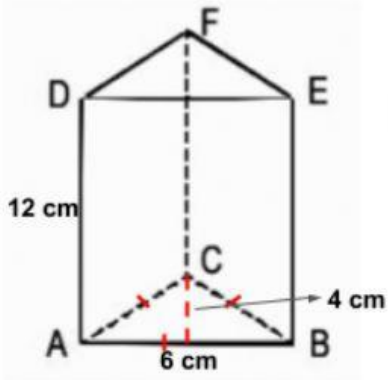
Name :

Class :

Date :

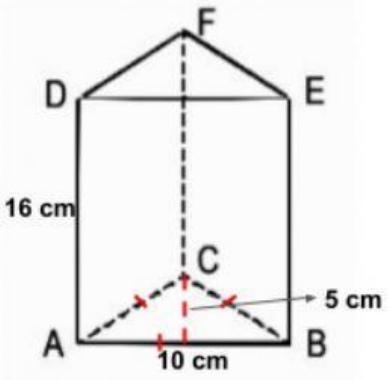
RUMUS	Prisma Segitiga Sama Sisi	Limas Persegi
Volume	luas alas x tinggi $\frac{a \times t}{2} \times T$	⅓ x luas alas x tinggi $\frac{s \times s}{3} \times T$
Luas Permukaan	Luas selimut + luas alas dan tutup (3 x p x l) + (a x t)	Luas Selimut + luas alas $(2 \times a \times t) + (s \times s)$

Hitunglah volume dan luas permukaan bangun ruang di bawah ini!



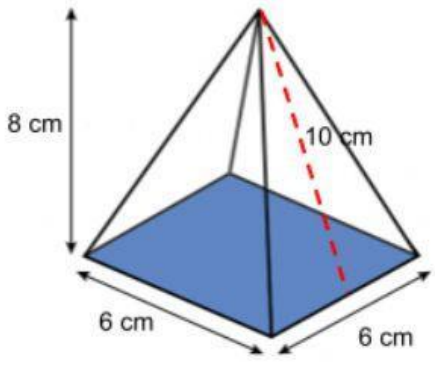
$V = \frac{\times}{} \times \quad = \quad cm^3$

$Lp = (\quad \times \quad \times \quad) + (\quad \times \quad) = \quad cm^2$



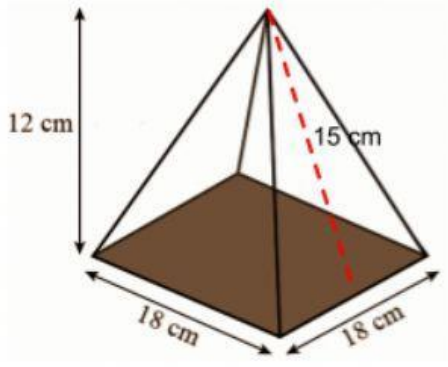
$V = \frac{\times}{} \times \quad = \quad cm^3$

$Lp = (\quad \times \quad \times \quad) + (\quad \times \quad) = \quad cm^2$



$V = \frac{\times}{} \times \quad = \quad cm^3$

$Lp = (\quad \times \quad \times \quad) + (\quad \times \quad) = \quad cm^2$



$V = \frac{\times}{} \times \quad = \quad cm^3$

$Lp = (\quad \times \quad \times \quad) + (\quad \times \quad) = \quad cm^2$

Target leadership

- Mau dan mampu mencoba hal baru
