Let's create!

La Organización Mundial de la Salud (OMS o World Health Organization, WHO) promueve la campaña "Healthy at home" para que la gente mejore sus hábitos durante el periodo de confinamiento. La falta de actividad física y una inadecuada alimentación pueden causar diversas enfermedades, como obesidad, diabetes, cáncer, entre otras. Por ello, se lanza esta campaña para crear conciencia sobre la importancia de realizar actividades físicas y tener hábitos alimenticios saludables, #HealthyAtHome.

- ❖ Tu reto: elaborar recomendaciones en inglés para promover la actividad física y los buenos hábitos alimenticios de otros adolescentes como tú a partir de la información obtenida en un cuestionario.
- ❖ Desarrolla las actividades 1, 2 y 3. Te ayudarán a enfrentar tu reto.

LET'S REFLECT!

Al escribir un texto en inglés:		No	Sí, pero necesito ayuda	Sí	Sí y muy bien
1	¿Lo adecuó para dar recomendaciones a fin de promover actividades físicas y hábitos alimenticios en tiempos de pandemia?				
2	¿Organizo mis ideas para identificar un problema y seleccionar de manera coherente el tipo de recomendación que necesita a fin de promover un estilo de vida más saludable?				
3	¿Empleo el presente simple, vocabulario relacionado con actividades físicas y hábitos alimenticios, preguntas específicas ("what", "where", "how often", "when") y preguntas de tipo sí o no correctamente?				
4	¿Reviso el texto para verificar el uso correcto del presente simple, las preguntas y el vocabulario adecuado, que promuevan actividades físicas y hábitos alimenticios saludables en tiempos de pandemia?
