Reading Comprehension

GRADE: 6th grade

English

I.- READ AND WRITE TRUE (T) OR FALSE (F).

Three months ago, my aunt invited my family and me to her house for dinner. She lives far away from us so we started out at 11 a.m. It was a nice, sunny day and we were all excited. Two hours later, we were thirsty so my dad stopped at a diner, and we had a milkshake. Then we all got back into the car and started out again. Twenty minutes later, the weather changed. It got very cloudy and it started to rain. Soon it was very dark, too. My sister and I were scared. We don't know how it happened, but suddenly our car fell in a lake. Luckily, a young man saw us, and he jumped into the lake and helped us get out. He saved us!
