Hi guys!!

I'm really proud of everyone. I've ¹*just / already* read the news on our social media page. It's great that we're having a party for the whole school. We've ²*already / yet* planned the food. I haven't looked at the replies to our invitations ³*yet / already*. But we're hopeful that loads of people are coming! Does anyone know why some of the kids in Mr Barker's class haven't received their invitations ⁴*yet / already*? Oh, it's OK! Eric Styles has ⁵*just / yet* emailed me to say he thinks there's an email problem with that class. He's going to re-send it.

Has anyone thought about the music ⁶*just / yet*? Let's talk about that at the next meeting. I've ⁷*yet / just* sent the people who are organising it a text message, so check your phones.
