The Watch

Tom was walking to the park when he saw something on the sidewalk. He bent down to look and saw a watch. It was gold and the hands were moving, making a ticking. He put it in his pocket and kept going to the park. Tom played with his friends and had fun. When he got home, he showed his mom the watch. Tom wanted to wear it to school, but got sad when his mom said he could not keep it. He had to give back the watch. Tom and his mom made a sign that said "WATCH FOUND" with a picture of the watch. They put the sign at the park. They got a call! It was a man who was VERY happy that Tom found his watch. The man came to pick it up. The man smiled and Tom was happy to give the watch back!
