Air Travel

Air-travel ..... the most modern form of public transport and it was developed in the 20th century. Millions of people use airplanes for a variety of reasons. It ..... also extremely expensive to ..... air-travel facilities. Some ..... for business, others ..... on holiday by air and others ..... cargo planes to move their products from country to country very quickly. Some courier companies now ..... their own fleet of planes ready to carry parcels and post more efficiently. There ..... different types of passenger services - some ..... cheap and provide a 'no-frills' service which is good for short journeys. Other airlines .... passengers with a luxurious flying experience. Airports are getting busier and it is evident that more passengers and businesses than ever are using airplanes to get to their destinations.
