Hi, I'm Rafael! I'm 20 years old and I'm Spanish. I'm from Madrid, the capital city. It's a beautiful city. I'm a student at a music college here. My mum is from Toledo in Spain. She's Spanish. My dad isn't Spanish. He's British. He's from Bristol in the UK. My sister, Gabby, is 14 years old. She's at school here in Madrid. My brother, Pablo, is 22 years old. He's a drummer in a band. He isn't here in Madrid now. He's in Amsterdam, at business college. My favorite band is Red20. They're American and they're so cool! My best friends are at college with me here in Madrid. Javier is 21 and he's from Madrid too. Jean-Claude is 20 and he's from Paris in France. We love music!
