

# GIVING DIRECTIONS

Look at the city map with your partner. Your partner will describe where the places on your individual paper are located. Write the names of the places next the numbers that correspond to the map. There are 14 total places.

A: The barber shop is **across from** the park and the art gallery.

B: Is it **number 1**?

A: Yes, that's right!

**Student A**

1. The Barber Shop
2. \_\_\_\_\_
3. The Bakery
4. \_\_\_\_\_
5. The Movie Theater

6. \_\_\_\_\_
7. The Pet Store
8. \_\_\_\_\_
9. The Gym
