

Song – All the Little Lights, by Passenger

1.- Fill in the gaps with personal pronouns or possessive adjectives or pronouns.

One went out at a bus stop in Edinburgh
One went out in an English park
One went out in a nightclub when _____ was fifteen
Little lights in _____ heart

- 5 One went out when _____ lied to _____ mother
(_____) Said the cigarettes _____ found were not _____
One went out within _____
Now _____ smoke like a chimney
_____ 's getting dark in this heart of _____
- 10 _____ 's getting dark in this heart of _____

CHORUS:

- _____ 're born with millions of little lights shining in the dark
And _____ show _____ the way
One lights up
Every time _____ feel love in _____ heart
- 15 One dies when _____ moves away

- One went out in the backstreets of Manchester
One went out in an airport in Spain
One went out, _____ 've no dobut,
When _____ grew up and moved out
- 20 Of the place where the boys used to play

- One went out when uncle Ben got _____ tumour
_____ used to fish and _____ fish no more
Though _____ will not return
_____ know one still burns
- 25 On a fishing boat off the New Jersey shore
On a fishing boat off the New Jersey shore

CHORUS

- _____ 're born with millions of little lights shining in _____ hearts
And _____ die along the way
'Till _____ 're old and _____ 're cold
- 30 And lying in the dark
'Cos _____ 'll all burn out one day
_____ 'll all burn out one day (x4)

2.- Find a word in the song (verses 1 to 15) which is used as a noun and as a verb:

How many other words that can be used **both** as a noun **and** as a verb can you find? (there are 17).

3.- Match these phrasal verbs from the song with their meanings in Spanish.

go out (verse 1) = _____	encenderse
light up (verse 13) = _____	alejarse
move away (verse 15) = _____	mudarse
grow up (verse 19) = _____	apagarse
move out (verse 19) = _____	crecer
burn out (verse 31) = _____	consumirse

4.- Find the English equivalents of these words in the song:

todavía = ya no =

Now compare these two sentences. What do they both mean?

He **no longer** smokes.
He doesn't smoke **any longer**.

Now rephrase these sentences, using "no" or "any" as determiners:

- a) He doesn't have any sisters.
- b) He committed no crime.
- c) I can see no easy solution to this problem.
- d) Don't ask me any questions and I won't tell you any lies.
