**Exercise 5: Read the text and choose the best job for each person.**

My best friend, Emma, was very good at languages at school. She's studying English at university now. She loves talking to people and writing. She wants to be a driver/journalist/nurse when she finishes her course. Jim is another friend from school. He was always good at biology and is now studying medicine. He wants to be a doctor/mechanic/pilot after finishing university. I remember Laura very well. She sat in front of me in class. She was quite good at most subjects and she really liked being with small children. She is now working as a cook/guide/teacher in a primary school. Dan was terrible at school. He hated all the subjects! When he left school, he went to college and learnt how to repair cars. He now works as a farmer/mechanic/police officer. Beth was always very good at French and German at school. She also likes meeting people from different countries. She now has a job as a (an) actor/guide/nurse at a big tourist information office.

**Exercise 2: Read Richard's letter to his friend, Alessandro. Choose the correct words to complete the sentences.**

Dear Alessandro,

Thank you for your email. You asked me to tell you about the food in the UK. Some people think that British people eat unhealthy, fried/ heat food like fish and chips all the time. However, this is not true. A lot of British people prefer to eat food from other countries. Chinese and Indian food is very like/ popular in the UK. Many people eat Chinese or Indian food at the weekend, and some people cook it at home. I like Indian food a lot and think that it is very boring/ tasty, but some dishes with a lot of chili are a bit too spicy for me. Many people also think that British people have afternoon tea every day at 4:00 p.m. This is also not true! People sometimes have afternoon tea with sandwiches and spicy/ sweet foods like cakes, but only on special occasions.

You also asked me about what food I like. My favourite/ popular dish from my country is called Shepherd's Pie. It is a cold/ hot dish made of meat and vegetables and potato, which is cooked in the oven. It tastes really good. I usually eat it with a lot of fresh vegetables like peas or cabbage, so it is quite a fat/ healthy dish. My mum usually cooks it for me and my brother when we come home from university. I like to eat Shepherd's Pie in the winter when it is cold, because it makes me feel warm. My favourite cold/ sweet dish is apple pie which is baked. Many people believe that British food is not so tasty, but I think we have some boiled/ delicious dishes.

Hope to hear from you soon.

Best wishes,  
Richard

**Exercise 3: Read the email from Jenny to her friend, Karen. Then complete the exercise.**

Hi Karen,

I hope that you are enjoying your summer holiday in France with your family. I'm having a great time on the school exchange in Turkey. I am staying with a nice girl called Alev. She is very friendly and funny, and her parents are very kind. They cook for me every day. I didn't know very much about Turkish food before I came here, but everything is delicious. In the morning we have a big breakfast with bread, eggs, cheese and jam. It is quite similar

to breakfast in the UK. For lunch, we usually have a lot small dishes. My favorite Turkish foods are borek, a dish with cheese and potatoes, and dolma, a vegetable and rice dish. I also tried an interesting drink made from youghurt called ayran. I didn't like it very much, but Alev's mother says that it is a very healthy so I drank it all. For dinner last night, we went to a traditional Turkish restaurant and had a kebab, which is the most famous dish in Turkey. It was delicious. After dinner we had coffee. The waiter also gave us baklava, which are small sweet cakes made of honey. I am going to bring some home so that you can try them. I know that you love sweet things!

See you soon at school.

Best whishes,

Jenny
