			
I design building and houses.	I can fly a plane.	I cut your hair or give it a new style.	I am trained to help a doctor look after the sick or injured.
			
I help and treat sick animals.	I defend people in court and gives legal advice.	I can fix problems you have with your teeth.	I repair your water systems or pipes.
			
I prepare food for others, often in a restaurant or café.	I save lives where people swim (at a beach or swimming pool).	I cut the meat and sell it in my shop	I pass knowledge to students, usually at school.
