A1 Movers Reading & Writing Part 4 - Describe the similarities and differences

Read the text. Choose the right word and write them on the lines. There are two extra words.

Lions

Lions come from Africa and are the second **(0)** biggest cat in the world. They are the only cats **(1)** _____ live in groups. They live in groups of **(2)** _____ than ten lions, and sometimes there are 40 of them! Lions eat other animals and they often catch **(3)** _____ at night. They eat young elephants, crocodiles and sometimes hippos. Lions like **(4)** _____ and sleep for 16–20 hours a day on the ground or in a tree. Mother lions have two or three baby lions, called 'cubs' and the other mother lions **(5)** _____ to look after them.

~~biggest~~ help more sleeps sleeping that them then
