# MIDTERM PRACTICE

Are you a student?

Which grade are you in now?

Do you go to school this year?

Where and how do you study?

When do you usually have the class?

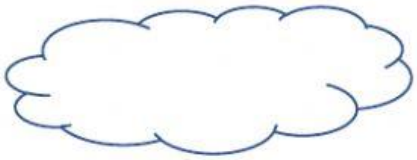

Do teachers give you a lot of homework?

When do you do your homework?

When and how do you send your homework?

Do you like studying at home or going to school? Why?

Write a paragraph about **your school routine**? You can add more sentences.
