LIVEWORKSHEETS

1

In this photo, I can see about 13 children. They aren't wearing school uniform. Most of them are writing.

The teacher is sitting at the front of the classroom. She is writing on the projector. There is a blackboard on the wall and a map of the world.

I think this is a photo of a classroom in the 1960s.

2

In this photo, there are about 6 children. Some of them are sitting down and some of them are standing up. Two of the children are playing the keyboard. I think this is a music lesson.

The children are wearing school uniform. The teacher is at the back of the classroom.

I think this is a photo of a modern classroom.
