

# MARK, THE SCIENTIST

Responda às questões, de acordo com o texto que descreve a rotina do cientista Mark.

Mark se levanta às

## MARK'S ROUTINE

Mark is a scientist. Mark is a lazy scientist. He gets up at 9 o'clock. He has breakfast at 10 o'clock. At 11 o'clock he has a nap. At 12 o'clock he goes to the lab. He has lunch at 1 o'clock. At 2 o'clock he has a nap. What does Mark do in the afternoon? Well, he relaxes. He watches TV and he eats popcorn. Does Mark go out in the evening? No, he doesn't. He's too tired.

## ESCREVA NO QUADRINHO

Quantas horas por dia Mark passa no laboratório?

O que Mark come durante a tarde?

## CHOOSE THE BEST OPTION

Que horas Mark toma café da manhã?

O que Mark faz ao meio-dia?

O que Mark faz às 11 da manhã e às 2 da tarde?

## POR QUE MARK NÃO SAI À NOITE?
