

Prepositions change for masculine and feminine

We have been learning that prepositions (such as "to" or "in") change

according to the gender of the country.

Listen to the song and select the correct prepositions for each

country using the dropdown box.

Habites-tu

Angleterre?

Habites-tu

Canada?

Habites-tu

Bangladesh?

Habites-tu

Roumanie?

Habites-tu

Pakistan?

Habites-tu

Nigeria?
