LIVEWORKSHEETS

1. Minneapolis

Minneapolis is a city in Minnesota. It is next to St. Paul. St. Paul and Minneapolis are called the Twin Cities because they are right next to each other. Minneapolis is the biggest city in Minnesota with about 392,000 people. People who live here enjoy the lakes, parks, and river. The Mississippi River runs through the city.

2. The Prime Minister, Robert Menzies,[131] regarded the state of the national capital as an embarrassment. Over time his attitude changed from one of contempt to that of championing its development. He fired two ministers charged with the development of the city, feeling that their performance lacked intensity.

3. The Math Team also hosts an event for parents and students, Family Math Night. This event lets parents preview course material with their students through hands-on activities run by math team members. The goal of Family Math Night is "to help parents become comfortable assisting their students with math homework."
