

Holiday Celebrations and Traditions

My favourite holiday celebration is Christmas. My family and I have many traditions for this holiday. We always decorate our home and Christmas tree at the start of December. We love decorating together. I always get to put our Christmas star at the top of the tree. We also go to the mall every year to take pictures with Santa. My mom prints our Santa pictures and sends them as cards to our family for Christmas.

On Christmas Eve, my family attends church for a special mass. When we get home, we bake cookies with mom to leave out for Santa before we go to bed. On Christmas Day, we wake up early to open our presents. Then later that day, we dress up in our new fancy Christmas clothes and go to dinner at our grandma's house. I like this tradition because we get to spend time with all of our family and enjoy special Christmas food.

Comprehension Questions
