

Written Production-Group Work

Written Production: Produces

I. Observe the pictures and complete the statements. Use the correct form of the given adjective

1. The rabbit is _____ than the lion. (small)
2. The lion is _____ than the tiger. (heavy)
3. The rabbit is the _____ of this group. (nice)

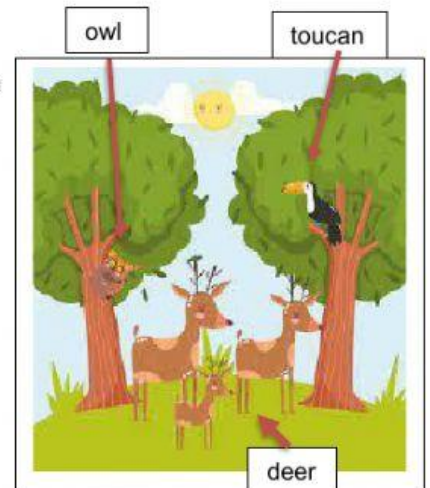

The yellow house isn't _____ the red house.	The man on the left isn't _____ the man on the right.

Written Production: Reflects

II. Look at the picture and say if it is true or false:

1. True False • The tree on the left is as tall as the tree on the right.
2. True False • The baby deer isn't as dangerous as its parents.
3. True False • The toucan is the biggest animal in the picture.
4. True False • Look at the trees. The owl is higher than the toucan.
5. True False • The toucan is the most colorful in the picture (it has three colors). The other animals are just brown.

You are doing a great job!
