

Never say never

(Justin Bieber and Jaden Smith)

Listen to the song and complete with the comparatives of the adjectives:

high, tall, big, old, strong, long

Yeah, yeah

Never ever, never, never ever, never ever

See I never thought that I could walk through fire

I never thought that I could take the burn

I never had the strength to take it.....

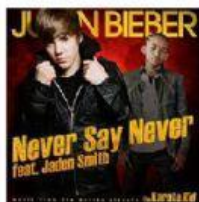

Until I reached the point of no return

And there's just no turning back

When your heart's under attack

Gonna give everything I have

It's my destiny

I will never say never

I will fight

I will fight 'til forever

To make it right

Whenever you knock me down, I will not stay on the ground

Pick it up, pick it up, pick it up, pick it up, up, up, up

And never say never

Ne-never say never Ne-never say never Ne-never say never

Never say it, never, never say it

I never thought that I could feel this power

I never thought that I could feel this free

I'm strong enough to climb the tower

And I'm fast enough to run across the sea

And there's just no turning back,

When your heart's under attack

Gonna give everything I have

'Cause this is my destiny

I will never say never...

Here we go, guess who? J Smith and JB

I gotcha lil bro, I can handle him

Hold up, aight? I can handle him

Now he's than me

..... than me

And he's than me and

.....than me

And his arm's a little bit

than me

But he ain't on a JB song with me

I be tryna chill

They be trying to side with the thrill

No pun intended

Was raised by the power of Will

Like Luke with the Force

If push comes to shove

Like Kobe in the fourth

Ice water in blood

I gotta be the best, and yes

we're the flyest

Like David and Goliath, I conquered the giant

So now I got the world in my hand

I was born from two stars, so the moon's where I land

**JUSTIN BIEBER
NEVER SAY NEVER**

I will never say never

I will fight

I will fight 'til forever

To make it right

Whenever you knock me down

I will not stay on the ground

Pick it up, pick it up, pick it up, pick it up, up, up

And never say never

I will never say never

I will fight

I will fight 'til forever

To make it right

Whenever you knock me down

I will not stay on the ground

Pick it up, pick it up.....
