

# THE GREAT AMERICAN OUTDOORS

Top 10 National Parks in the U.S. : Watch the video and then complete the table with the missing information.

| 10                | 9       | 8    | 7          | 6          | 5       | 4          | 3               | 2              | 1          |
|-------------------|---------|------|------------|------------|---------|------------|-----------------|----------------|------------|
| Rocky Mountain NP |         |      | Sequoia NP | Glacier NP | Zion NP |            | Grand Canyon NP | Yellowstone NP |            |
|                   | Wyoming | Utah |            |            |         | California |                 |                | California |

\*NP=National Park

Which National Park ...

... is home to "General Sherman"?

... is just a short drive from Denver?

... is named after the vegetation that grows in the area?

... is shared with another country?

... is where Old Faithful and the Grand Prismatic Spring are located?

... has landscapes that probably inspired the song *Home on the Range*?

... is the "Crown Jewel" of national parks in the state where it is located?

... has an unsuitable name?

... is not far from San Francisco?

... is home to one of the natural wonders of the world?
