

# 93 Million Miles JASON MRAZ

Fill in the blanks with the words you hear.

\_\_\_\_\_ million miles from the \_\_\_\_\_  
people get ready get ready  
Cause here it comes  
it's a \_\_\_\_\_, a beautiful \_\_\_\_\_,  
over the \_\_\_\_\_ into our eyes

Oh, my my how beautiful,  
Oh my beautiful \_\_\_\_\_  
She told me, "\_\_\_\_\_ in life you're gonna go far,  
and if you do it \_\_\_\_\_ you'll love where you are  
Just know, that wherever you go,  
you can always come \_\_\_\_\_"

\_\_\_\_\_ thousand miles from the \_\_\_\_\_,  
we've come a long way to belong here  
To share this view of the \_\_\_\_\_, a glorious \_\_\_\_\_,  
over the horizon is another bright \_\_\_\_\_

Oh, my my how beautiful,  
Oh my irrefutable \_\_\_\_\_  
He told me, "Son sometimes it may seem \_\_\_\_\_,  
but the absence of the light is a \_\_\_\_\_ part  
Just know, you're never \_\_\_\_\_,  
you can always come back \_\_\_\_\_"

You can always come back, back

Every \_\_\_\_\_ is a slippery slope  
There is always a \_\_\_\_\_ that you can hold on to  
Looking deeper through the \_\_\_\_\_  
You can see that your home's \_\_\_\_\_ of you

Just know, that \_\_\_\_\_ you go,  
no you're \_\_\_\_\_ alone,  
you will \_\_\_\_\_ get back home

\_\_\_\_\_ million miles from the \_\_\_\_\_,  
people get \_\_\_\_\_ get \_\_\_\_\_  
Cause here it comes it's a \_\_\_\_\_, a beautiful \_\_\_\_\_,  
over the horizon into our \_\_\_\_\_

Answer the question.

What is 23 million miles from the sun and 240 thousand from the moon?
