LIVEWORKSHEETS

READING

THE WEATHER IN SOME CITIES

LIMA

The weather in Lima is cloudy. You can wear pants, a sweater and a scarf because it is really cold at night. There are good activities that you can do in Lima. For example, at night you can visit "El circuito mágico del agua" and see the spectacular lights. You can also practice paragliding in "Miraflores" district . It is really exciting!

PIURA

The weather in Piura is hot and sunny. You can wear a t-shirt, shorts and sandals. It is important to wear some sunscreen and a hat to protect your body from the sun. In Piura, you can go swimming or surfing in Mancora beach.

The weather is different in each city. It is important to have the necessary clothes to wear and know what activities to do.

I. Read the text and write YES or NO.

1. The weather in Lima is snowy. _____

3. What clothes can you wear in Piura? you can wear _____
4. What activities can you do in Máncora? You can go _____

LIVEWORKSHEETS

LET'S GO ON, AN ADITIONAL CHALLENGE FOR YOU - OPTIONAL:

Regina went to Puno last week. Read the text and then, circle True or False.

Puno is a fantastic city in the highlands of Peru. It is very high, so you can get dizzy or have the altitude sickness. That is because there is very little oxygen in the air. But if you take some pills, it is fine. The weather in Puno is fantastic. It is usually sunny but cold at the same time. So, you need to wear sunglasses and a jacket.

At night, it gets very cold, so you need gloves and a scarf too. But you need to go out because the sky is really beautiful. It gets very black and the stars shine so bright that you think you are in a dream. You forget it is cold!

I love hot weather, but I love Puno!

1.- Puno is in the mountains.	YES	NO
2.- It is hot and sunny in Puno.	YES	NO
3.- The night in Puno is horrible because it is cold.	YES	NO
4.- Regina doesn't like Puno because it is cold.	YES	NO
