

Instructions: Write the missing words, then draw a line to match the word to the picture.

There is more to this time of year
Than sleigh _____ and holly
Mistletoe and _____
Those things come and go
Much deeper than _____
Stronger than the strongest love we'll know
We'll ever know

As long as there's Christmas I truly believe
That hope is the greatest of the _____ we'll receive
As long as there's Christmas we'll all be just fine
A _____ shines above us
Lighting your. Way and mine
Just as long as there's Christmas
There'll be Christmas _____
Tons of turkey...

And _____ sauce
And mince pies if we're good
Loads of logs on the fire
Lots of gifts on the _____
All wrapped up in red _____...
Wonder if there's one for me
We're due for a party
Where on earth do we start?
I may wear my _____

You bought me in Monmartre
All the _____ will sparkle
And the china will gleam
And we'll all be as shiny
As a brand-new centime
After dinner we'll play games
o'Till the morning, right through
Then we'll meet in the _____
This is what we shall do
We will build us a _____
That will reach to the sky
It will stay up until July

As long as there's Christmas I truly believe
That hope is the greatest of the _____ we'll receive
As long as our guiding _____ shines above
As long as there's Christmas
We'll all be just fine
There'll always be Christmas
So there always will be a time
When the world is filled with peace and warmth

As long as there's Christmas
