

**2** Find out more What can birds do?

**ostrich, 24, All, smallest, fly, run, can't,**

## Amazing birds

### Laying eggs

birds have feathers, and all birds lay eggs. A hummingbird has the  egg. It is as small as your fingernail. An  has the biggest egg. It is as big as  hen's eggs.

### Flying

Most birds can fly, but some birds   
An ostrich can't fly, but it can  very fast.  
A penguin can't , but it can swim very fast.
