ROBOTS

Listen to the audio carefully & fill in the gaps with ONE word:

A long time ago, robots belonged to (1) _____ fiction. Children loved looking at movies with robots. Today, robots are (2) _____, and they are (3) _____ us. In the future, we will all have robots. They will vacuum the floor, wash the dishes, perhaps even (4) _____ our cars. I even think one day we'll have robot friends. In (5) _____ today, robot engineers are making robots to help old people and to keep them (6) _____. It's still early days. I'd say we are another 20 to 30 years away from robots being everywhere in our lives. What will happen to us when the world is (7) _____ of robots? There'll be no jobs. McDonalds will be full of (8) _____ robots. Maybe one day we won't be able to tell robots and humans (9) _____. Maybe they'll (10) _____ over the world.
