II/ Read the passage below and mark the sentences True or False: (1m)

Today, about half of Mongolia's population is still travelling around the large areas of flatlands. They live in the ger and move their campings several times a year. They live by and for their cattle. Nomadic life becomes better in summer and continues to exist in winter. To the outside world, it seems to be a hard way of living.

LIVEWORKSHEETS

These days, the number of nomads is becoming smaller and smaller. Nomads move to the capital city looking for a better life. City lights and good things of city life interest them. After the last terrible winters, many nomadic families lost all their herds. This forced nomadic herders to move to the capital city to look for a walk.
