READING

3. Read the definitions and number the pictures. There are two pictures you don´t need to use.

1 They can have long or short sleeves. They can have patterns (e.g. checked or striped) or they can be plain (just one colour and no patterns). Men wear them with a tie and a suit. Girls and women can wear them, too.

2 It's very warm and light. You can wear it like a jacket or a coat. It's called this because it's similar to the wool that covers a sheep, but it isn't made of wool.

3 The material they're made of is called denim. They come in different colours and people wear them all year round. They can be long or short and everyone wears them: men, women and children.

4 We wear this when it's very hot and sunny. It's something that many sportspeople wear when they are doing sport, e.g. baseball and tennis players. You put it on your head.

5 Romans and Ancient Greeks used them a lot. They're a type of shoe we wear when the weather is hot. They keep our feet cool. You don't want to wear them in winter because when it rains, water gets in.
