COMPETITION: WIN A TOUR OF LONDON FILM STUDIOS

London Film Studios offers you the chance to see what happens behind the scenes of your favourite films. Learn about how to create special effects, put on make-up and design costumes.

See some of the props from your favourite films. Watch how artists use computer graphics to create animations. Talk to camera operators, directors, scriptwriters and extras – the people who really know how to make films. Maybe they can tell you how to start a career in films!

Enter our competition by sending in your idea for a new science fiction fi lm. Your text should be 300 words. You can include pictures if you want, up to a maximum of three pages. (Sorry, we can't accept anything longer.)

Ten lucky winners will get a free tour of London Film Studios and a free make-up session with a professional make-up artist.

GILLINGTON SCHOOL COUNCIL MONTHLY NEWS

Make your school a better place! Support your school council! Tell us about your ideas for improving our school. Here's a summary of last month's activities:

The school council met on 25th October. We discussed three issues:

1. School lunches; 2. Red Nose Day; 3. End-of-term school disco

1 On 11th October, we met with the staff of the school cafeteria and told them about your comments on the school lunches. We mentioned that students would like to have more vegetarian choices. They agreed to offer a couple of vegetarian meals every day. We were very happy with this result and we hope you are, too!

2 This year we are planning a number of activities to raise money for charity on Red Nose Day. Thank you for all your suggestions. We voted on all the ideas and everyone agreed to have a sponsored dance and a cake sale. Please tell your class council member if you would like to take part.

3 We have £50 in our budget for the end-of-term disco. It will be on 15th December and will take place in the school hall. Tickets are £3.50. Please bring your friends.

Finally, we'd like to know your opinions about what we need to change in our school. Fill in this questionnaire and give it to your class school council member. You can really make a difference!

Thanks and have a great weekend!
