

Listen to the song and fill in the prepositions

What the World Needs Now Is Love -Jackie DeShannon

What the world needs now is love, sweet love

It's the only thing that there's just too little

What the world needs now is love, sweet love,

No not just some but everyone.

Lord, we don't need another mountain,

There are mountains and hillsides enough climb

There are oceans and rivers enough cross,

Enough to last till the end time.

What the world needs now is love, sweet love

It's the only thing that there's just too little

What the world needs now is love, sweet love,

No, not justsome but everyone.

Lord, we don't need another meadow

There are cornfields and wheat fields enough grow

There are sunbeams and moonbeams...
