CAPTION: LET'S WRITE

A. Tujuan Pembelajaran

Setelah kegiatan pembelajaran ini, peserta didik diharapkan mampu:
1. merancang teks penyerta (caption) dari sebuah gambar/grafik/bagan.
2. menggunakan kata kerja be dan infinitive.
3. menulis teks penyerta (caption)dari gambar/grafik/bagan

B. Uraian Materi

TIPS TO WRITE CAPTIONS

- Do not begin with the words *a, an,* or *the*.
- Use present tense to describe action in a photo.
- Give readers information they cannot get from just looking at a photo.
- A caption should complete the photo. The reader should not have to look at the story, but should want to look at the story.
- Write captions so they go from specific to general or general to specific.
- Do not begin a caption with names.
- When identifying members of a group, write "from left," not "from left to right."
- "Above" and "pictured here" are unnecessary.
- Captions should not repeat information contained in the lead.
- Name people only if they are important to the picture.

1. Social Function

Describe or command on a picture, photograph, graph, chart

2.Text Structure

Can be:
- action/event/ activity
- people/thing that involved
- condition

3.Language Features
