MISUNDERSTOOD, BY BON JOVI

_____ I? _____ I?
Have said the wrong things right a thousand times
If I _____ just rewind, I see it in my mind
If I _____ turn back time, you'd still be mine
You cried, I died
I _____ have shut my mouth, things headed south
As the words slipped off my tongue, they sounded dumb
If this old heart _____ talk, it'd say you're the one
I'm wasting time when I think about it

I _____ have drove all night, I would have run all the lights
I was misunderstood
I stumbled like my words, did the best I could
Damn, misunderstood

_____ I? _____?
Apologize for sleeping on the couch that night
Staying out too late with all my friends
You found me passed out in the yard again
You cried, I tried
To stretch the truth, but didn't lie
It's not so bad when you think about it

I _____ have drove all night, I would have run all the lights
I was misunderstood
I stumbled like my words, did the best I could
Damn, misunderstood
Intentions good
