

MISUNDERSTOOD, BY BON JOVI

_____ I? _____ I?

Have said the wrong things right a thousand times

If I _____ just rewind, I see it in my mind

If I _____ turn back time, you'd still be mine

You cried, I died

I _____ have shut my mouth, things headed south

As the words slipped off my tongue, they sounded dumb

If this old heart _____ talk, it'd say you're the one

I'm wasting time when I think about it

I _____ have drove all night, I would have run all the lights

I was misunderstood

I stumbled like my words, did the best I could

Damn, misunderstood

_____ I? _____?

Apologize for sleeping on the couch that night

Staying out too late with all my friends

You found me passed out in the yard again

You cried, I tried

To stretch the truth, but didn't lie

It's not so bad when you think about it

I _____ have drove all night, I would have run all the lights

I was misunderstood

I stumbled like my words, did the best I could

Damn, misunderstood

Intentions good
