

MASS MEDIA

TEXT BY NOA

Noa is a teenager who is always surfing on social networks, but she was cyberbullying a lot because hackers found old photos of her when she was very young leaked from old instagram profiles that had already been deleted. Every time she uploaded a photo to their networks they sent them messages with the photos telling her that she was still the same, then thanks to that she fell into a depression because they were very embarrassed.

1-Answer These Questions With The Text.

Why did Noa go into a big depression?

Where did they find the old photos?

Why is privacy a problem in the networks?

Why was she cyberbullying?

What's the problem with being so informed all the time?

2-Answer true or false.

The hackers found the posts on snapchat

They found them on new profiles

She fell into depression because they were cyberbullying them

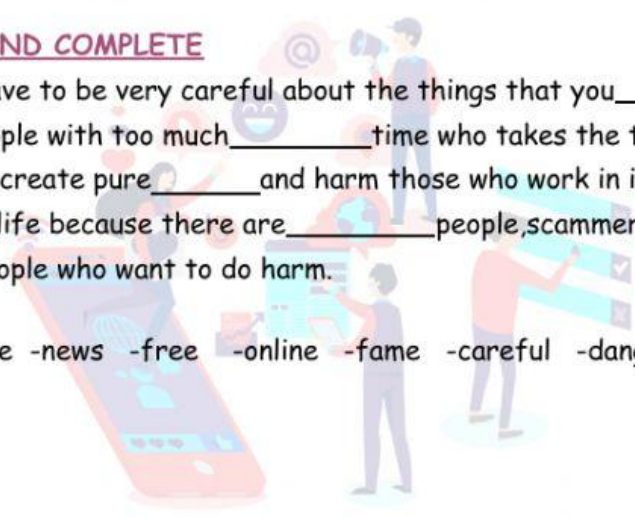

The old photos made her happy

The old profiles were active
