Section E. Reading Comprehension. (15pts)

Read the passage carefully and answer the questions that follow.

The scorching sun stood high as a thirsty ant was crawling along the riverbank. He had been searching for food all the morning and decided to have a drink from the river. As the tiny ant made his way down, he splipped and fell into the water. He wailed frantically,

" Someone, please save me or I'll drown!"

LIVEWORKSHEETS

Fortunately, a dove perching on a tree branch above heard his cries and immediately went to his rescue. Using her beak, the dove plucked a leaf and dropped it nearby. The ant struggled but enventually managed to climb onto the leaf and floated ashore safely.

" How can I ever repay your kindness for saving my life, dear dove?" the ant cried out thankfully.

Moments later, a hunter hiding a mong the tall trees was about to trap the dove. Seeing that the hunter was about to cast the net, the sharp ant raced towards him and bit his leg. The hunter screamed in pain while the dove took off in a flurry. She gave a loud coo to thank the little ant for his act of bravery.

36. The ant went to the riverbank because he was_____.

37. Which word has the same meaning as "courage "?

38. The dove was resting on _____when she saw the ant struggling.

39. Why did the ant save the dove?

_____
