When I'm Happy

When I'm happy and I know it,
I clap my hands.
When I'm happy and I know it,
I clap my hands.
When I'm happy and I know it,
Then I do something to show it.
When I'm happy and I know it,
I clap my hands.

When I'm mad
and I know it,
I stomp my feet.

When I'm sad
and I know it,
I wipe my eyes.

When I'm hungry
and I know it,
I eat a snack.

When I'm thirsty
and I know it,
I take a drink.

When I'm tired
and I know it,
I take a nap.
