Adjectives

An adjective is a part of speech that describes a noun or a pronoun. An adjective is used to tell what kind, how many, or which one.

Instructions: Look at this potcake puppy. List three adjectives to describe the puppy.

Directions: *Read the story. Find all the adjectives. Type the adjectives on the lines below.*

It was a sunny day on the island of Exuma. I heard barking and peeped outside. My little potcake was playing with his new ball. He run very fast after that ball. I like to watch him play. It makes me feel so happy. Soon, my playful puppy yarned. He was tired. I picked him up and laid him on his soft, round bed. Soon, my sleepy puppy was snoring away.
