My Town – **Newquay**

by Alex Howarth, 14

I live in Newquay. It's a small town on the Atlantic coast in the south of England. It has got great beaches and is the best place to surf in the UK. There are lots of surf schools where you can learn how to surf. I go surfing with my friends every weekend. My favourite place is Fistral Beach.

I love Newquay because there are lots of other things to do as well as surfing. If you like water sports, you can go kayaking, water-skiing or coasteering. Coasteering is different because it is rock climbing, jumping into the sea and swimming in the same activity, but you should always go with a special instructor.

If you like animals you can also visit the Blue Reef Aquarium and see lots of different fish and even sharks. You can also go horse riding on the beach or visit Newquay Zoo. There are lots of other attractions too like mini golf and bowling. Come and see for yourself!

*Comments*
*Well done, Javier, on all your hard work this term. You are always active in speaking activities, and this is great. I always enjoy reading your writing too; you have very good ideas. You can see from your marks that reading is not a problem for you.*
*Sometimes you still make small grammar mistakes, and I think you can improve your vocabulary. I recommend you review many of the language points we studied this term. There is extra language practice in your online workbook.*
*The area you need to work on the most is listening. I know this is difficult for you. I recommend more practice at home. Listen to English TV shows, podcasts and radio as much as possible. I can give you a list of things to listen to.*
