A.Read the text.

This is my family

My name is Derek Adams and this is my family. I'm ten years old and I've got a brother. He's eight. His name is Thomas. We live with our parents in Los Angeles, USA.

My father's name is Peter and he is a dentist. My mother is Helen and she is a teacher. She is very pretty. She is tall and thin. She has got long straight brown hair and brown eyes. My parents are both forty years old.

My brother and I are very thin. We've got short, dark brown hair and brown eyes. People often think we're twins.

We have got a fluffy, brown dog called Rex. We all love playing with him.

Our family is small: my grandparents, my uncle John, my aunt Emma and two cousins.

B. Are the sentences True (T) or False (F)? Correct the false ones.

	T	F
